Inserting the key [11] with the value : Laguna Beach

A diagram illustrating a sequence of numbers connected by a series of diagonal lines. The numbers are arranged in a zigzag pattern, with lines alternating between downward-left and upward-right slopes. The numbers are: 49, 26, 60, 17, 52, 77, 32.

Inserting the key [32] with the value : Mission Viejo

The diagram illustrates a complex mathematical structure, possibly a tree or a graph, with numbers and symbols arranged in a grid-like pattern. The numbers are: 49, 26, 60, 17, 52, 77, 35, 11, 19, 32, 42, 49, 59, 99, 11, 18, 22, 29, 32, 1, 1. The symbols used are /, \, /, \, and -1. The diagram is framed by dashed lines.
